

To customers, suppliers and partners

Sicotech A/S and Decotech A/S handed over to new owners.

1. December 2024 - Jørgen Søvnal has chosen to sell his companies, Sicotech A/S and Decotech A/S, to a group of owners consisting of Henrik Steiner, Ole Bonde and Jan Nørby Dahl. The three new owners have played a central role in the management of both companies for many years and have played a significant role in their strong position in the market today.

Sicotech A/S and Decotech A/S are known for their high quality, innovative solutions and close relationships with customers and partners. The companies' success has been built through dedication and a strategic focus on delivering first-class products and services.

Jørgen Søvnal states:

“It has been a great honor to lead Sicotech A/S and Decotech A/S for many years. I am proud of what we have achieved together, and it is with great pleasure and confidence that I hand over the companies to Henrik, Ole and Jan. They have helped shape the success we see today, and I am convinced that they will continue the positive development.”

Henrik Steiner, speaking on behalf of the new owners, says:

“We are incredibly proud to have the opportunity to take over the ownership of Sicotech A/S and Decotech A/S. Our long-standing involvement in the companies has given us an in-depth knowledge of the culture, customers and potential. We look forward to building on the strong foundation that Jørgen has created and ensuring that we can continue to deliver value to both customers and employees.”

The transfer marks a natural development for the companies, where continuity and further development are in focus. The new owners look forward to continuing to work together with employees, customers and partners to further strengthen the companies' position.
